

Development Journal - Week #6

My Name: _____

1. **Ask your mom:**

“What foods did you like eating when you were pregnant with me?”

“What foods did you not like?”

2. How were you growing and developing when you were 6 weeks old in your mother’s womb? _____

3. Your parents have been making sacrifices for you - since before you were even born! This is one way of showing how much they love you. What are some things you can do or offer up to show how much you love them? _____
