

Development Journal - Week #24

My Name: _____

1. Ask your parents if they ever talked, sang, or played music for you when you were in the womb?

2. Ask your parents if you ever moved around in the womb when you heard sounds from outside? If you did, what sounds were they and what did you do?

3. Did your parents (or siblings) get to feel you move? Did they ever see your hand or foot pushing out of your mom's stomach?
