

“Through the intercession of Saint Blaise, bishop and martyr, may God deliver you from every disease of the throat and from every other illness. In the name of the Father, and of the Son, and of the Holy Spirit. Amen.”

St Blaise was not only known for healing humans of all kinds of illnesses—Saint Blaise healed animals, too. When some hunters came upon Saint Blaise hiding in a cave, he was kneeling in prayer with wild animals all around him. And when a woman told Saint Blaise that a wolf had taken her pig—Saint Blaise prayed, and the wolf returned the pig! Saint Blaise—pray for us!
